Project Title: Downtown Wastewater Development Project

Project Applicant: Willow Creek Community Services District

Project Location (include county): Willow Creek, Humboldt County

Project Description:

The proposed project would include a gravity wastewater collection system with two pump stations, a recirculating filter treatment system located at the Stockel Site, subsurface disposal (leachfield) at the Stockel site, use of public roads to contain sewer mains, installation of approx. 110 sewer lateral connections and private laterals, including lateral connections to the main in the public right-of-way to allow for future infill (which is accounted for in design), and abandonment of septic tanks. The addendum

This is to advise that the Willow Creek Community Services District has approved the above (Lead Agency or Responsible Agency)

described project on 7/22/2021 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Willow Creek Community Services District, P.O. Box 8, Willow Creek, CA 95573

Signature (Public Agency): Susan O'Gorman Title: General Manager
